A joyous and moving celebration of Kurt Weill, a cantor's son and one of the most extraordinary composers of the twentieth century. Weill's greatest theatre songs (including The Threepenny Opera, Knickerbocker Holiday, Lady in the Dark, One Touch of Venus and Lost in the Stars) are presented in a fluid blend of music and story, spanning twenty eventful years, from Von Hindenburg and Hitler in Germany to Roosevelt and Truman in the U.S.
