

Deutsch Amerikanischer Club 1948 Stuttgart German American Club 1948 Stuttgart

Dear Members and Guests:

July 2022

Please join us on **Saturday, July 16, for a Full Day Train Adventure Trip to the Schwetzingen Palace and Gardens near Heidelberg.**

The Prince-Electors of the Rhineland Palatinate transformed their small medieval castle turned hunting lodge in Schwetzingen into a representative summer residence palace in the mid-18th century. Since then, little has been changed, so that we can enjoy the palace apartments and also stroll through the beautiful French style formal gardens and the English country garden, one of the first of its kind to be created in Germany. You won't want to miss this adventure!
