November 2025

Dear Members and Guests:

Please join us on **Saturday, November 22**, at the Kunstgebäude downtown Stuttgart (for directions please see page 2) for a guided tour of the art exhibit "**Katharina Grosse - The Sprayed Deer**".

Katharina Grosse is one of the most significant contemporary artists. For the Great State Exhibition Baden-Wuerttemberg 2025, she has engaged deeply with the architecture of the iconic central building on the Schlossplatz, transforming it into a vibrant, colour-saturated spatial experience.

The newly produced aluminum sculpture "The Sprayed Deer" forms the highlight of the exhibition. With this title, the artist refers to the landmark of this extraordinary exhibition space and plays on the English word "deer" for deer and the similarly sounding English term "dear" for something dear. ### Directions to the Kunstgebäude, Schlossplatz 2, 70173 Stuttgart.

The Kunstgebäude is an art gallery belonging to the Staatsgalerie and is the building on the Schlossplatz with the golden stag on top.

**By car:** Multi-story car parks: Staatsgalerie, Haus der Geschichte, Landtag, Schlossgarten, or Landesbibliothek. For more information on parking, go to [www.pbw.de](http://www.pbw.de). In view of the high density of traffic, the large Stuttgart 21 construction site, and the limited available parking, we recommend coming by public transport.

**By public transport,** our recommendation is to take the Stadtbahn to “**Charlottenplatz**” and walk over to the museum (about an 8 minutes’ walk).

**Stadtbahn #: U2, U4, U5, U6, U7, U12, U14, U15.** Please exit via **Charlottenplatz** then walk across the park toward the **Schlossplatz** - look for the building with the stag on top.
